When you enter the Round About, a couple of miles beyond the Guard Point approaching ORNL, take the first right hand turn-off (north) into the large parking lot. It is a short walk from this lot to the Visitors Center/Conference Center and the Fusion Materials Workshop.

ORNL Badging

For attendees who have visited ORNL before I updated your record on file. I contacted others who have not been to ORNL or whose information needed updating. All of you will need a valid photo identification to enter ORNL. Foreign Nationals must present a visa or passport upon arrival at the ORNL Visitor Center.
